## L O O S E L E A F T E A

### GREEN

(Makaibari Estate)

*This is an organic green tea from Darjeeling, grown at an altitude of 1500 metres. Picking only the two leaves and bud of the new growth these beautiful leaves create a gentle, mellow flavour with a vivid golden cup.*

### DARJEELING

(Makaibari Estate)

*These leaves are picked in late spring, early summer. One reason Darjeeling teas are described as the 'champagne of teas' is because of their fantastic muscatel flavours and these are more prominent in the second flush. More full bodied than the First Flush but still soft and aromatic, this organic Second Flush produces a vivid coppery cup.*

### CHAMOMILE FLOWERS

*Our organic chamomile flowers are a wonderfully calming herbal infusion from Egypt and are naturally caffeine free.*

### EARL GREY

(Greenfield Estate)

*Using the finest whole leaf Ceylon tea as its base, this Earl Grey wonderfully draws out the citrus, fruity flavours of the Bergamot. It has a wonderfully bright, copper colour when infused.*

### LAPSANG SOUCHONG

*Using the traditional method of smoking the tea using pinewood this is a rich and characteristically smoky flavour.*

### OOLONG

(Tie Guan Yin)

*Our organic Tie Guan Yin is a lightly oxidised tea from the Fujian province of China.*

### ENGLISH BREAKFAST

*A classic, everyone's favourite.*
